NOTES

* Most insurance plans cover routine circumcision within 28 days of life. **Exceptions:** First Health Medicaid does not cover routine circumcision.

* We no longer accept patients with non-contracted insurance plans through out-of-network benefits.

* For newborn circumcision and consultations for other conditions, cash is accepted for patients who have no insurance or who have a non-contracted insurance plan.

* We are working hard to be contracted with other insurers. Please check with us regularly for updates.
